ATTN: Lobbying Compliance

EXAMPLE 1 – if there is a ‘gap in time’ from expiration of original agreement to start of ‘new’ extended agreement:

Please note that no compensation was received nor any lobbying performed on behalf of **CLIENT NAME** between the expiration of the original agreement, **EXPIRATION DATE** and the start of the extended agreement, which began **AMENDED AGREEMENT START DATE**.

EXAMPLE 2 – if a difference exists between the start date noted in the ‘new’ extended agreement/contract and the date lobbying activities commenced (start date entered on form)

We are aware we are prohibited by law from performing any lobbying activity or receiving compensation for such activities until a completed Statement of Registration Amendment is filed with JCOPE, which includes the filing fee (if applicable) and an executed Lobbying agreement/contract, or in the event a contract does not exist, a copy of a signed, written Lobbying authorization. Accordingly, this letter confirms that no compensation was received nor any lobbying performed on behalf of **CLIENT NAME** from the expiration of the original agreement, **EXPIRATION DATE**, until **DATE [INSERT #1, 2 or 3]** (you may insert one of the suggested options below to explain why the start date entered on the form differs from the start date provided in the contract)

1. the date we submitted the Registration Amendment with JCOPE.
- OR
2. the date we received the fully executed agreement from the Client.
- OR
3. the date the agreement/contract for representation was fully executed by both parties.*
