

Public Corporation Bi-monthly and Bi-monthly Amendment Information

Any Public Corporation required to file a Statement of Registration in a Biennial Registration Period must also file Bi-monthly Reports, regardless of Compensation, Expenses, or Lobbying Activity, up to the Termination (End) Date.

PURPOSE

The purpose of this document is to provide Filers with further clarification of the information required to be disclosed in Bi-monthly and Bi-monthly Amendment Reports utilizing the Lobbying Application (“LA”).

NOTES: This document is **not** intended to assist Individuals/Organizations in determining whether their activities require registration and reporting to the Commission.

- For assistance in determining whether your activities are considered Lobbying Activities which require Registration and Bi-monthly reporting, please refer to the regulations available on the Commission’s website.
- For assistance with Filings themselves, please contact the Commission’s Lobbying HelpDesk at LobbyingHelpDesk@ethics.ny.gov or by phone at 518-474-3973.

THINGS TO KNOW

Unlike the Registration, which is considered a *forward-looking* document that requires the Filer to disclose much **broader information**, if known, the Bi-monthly Report requires the Filer to disclose with **greater specificity** the **actual Lobbying Activities** and monies spent. Proper disclosure of these Lobbying Activities necessitates a level of specificity that makes clear to the public exactly **what** and **who** was being lobbied during the specific Bi-monthly reporting period.

- The Lobbying Act requires a registered Lobbyist (including Public Corporations) to submit a Bi-monthly Report for each reporting period their In-house Lobbyists engage in Lobbying Activities (based on the **Lobbying Agreement Start** and **Termination (End) Dates**).
- There is NO minimum threshold requirement for filing any Bi-monthly Report. Consequently, all Bi-monthly Reports are required to be filed for a registration period, unless the Registration has been

terminated. If, in fact, the agreement or authorization has terminated, you must comply with the Bi-monthly reporting requirements up to the date of termination.

- Bi-monthly Reports must be submitted even when **Compensation, Expenses, or Lobbying Activity** did **not** occur during a Bi-monthly reporting period. Bi-monthlies must continue to be submitted for as long as the Lobbying Agreement is in effect (or “active”), even if only for a portion of a Bi-monthly reporting period.

LOBBYING APPLICATION INFORMATION

- A Bi-monthly Report may be started, saved, and submitted beginning on the first day of the Bi-monthly’s reporting period (example – the March/April Bi-monthly can be started March 1); as long as the Lobbying Agreement is “active” during the reporting period for which the Bi-monthly Report is being filed.
- Bi-monthly Reports must be submitted in chronological order based on the **Lobbying Agreement Start Date**.
- Once submitted, a Bi-monthly Report cannot be deleted. The Filer must submit a *Request to Withdraw* to remove the Filing from public view.
 - Requests to Withdraw should be emailed to Bimonthlies@ethics.ny.gov for review and must include, the reporting year/period, Principal Lobbyist, Contractual/Beneficial Client name, form confirmation number and the reason for the withdrawal.
- Once submitted, no changes can be made to the original document (Bi-monthly and/or Amendment). Any change or modification to information requires submission of a Bi-monthly Amendment.

BI-MONTHLY REPORTING PERIODS & DUE DATES

BI-MONTHLY REPORTING PERIOD	PERIOD COVERED	DUE DATE
January/February	January 1 – February 28	March 15
March/April	March 1 – April 30	May 15

September/October	September 1 – October 31	November 15
November/December	November 1 – December 31	January 15 (of the following year)

NOTES: There is a 7-day grace period from a Filing’s statutory due date to submit a required Statement and/or Report(s) before any potential late fees *may* be imposed.

- Timely reports are those that are received by the Commission’s office on or before the due date. If a report is due on a weekend or a State holiday, the report must be received in the Commission’s office on the first business day following the weekend or State holiday. The Commission does not consider the postmarked date as the date of receipt for lobbying filings.

INFORMATION COLLECTED ON THE BI-MONTHLY REPORT

The online Bi-monthly Report contains its own main navigation menu and can be viewed in a “tabbed format” or in “full view”, depending on Filer preference.

Online Filings will populate specific information from existing Profiles, if available, and the most recently submitted Filing of the Public Corporation (Biennial Registration, Registration Amendment, Bi-monthly or Amendment):

- Public Corporation Information
- In-House Lobbyist Information
- Retained Lobbyist Information
- Lobbying **Activities** (Focuses and Parties) disclosed on your previously submitted Bi-monthly Report(s)

The Bi-monthly Report contains the following fields. Items denoted with a red asterisk “*” are required fields.

Biennial Period*

DEFINITION: Every two-year period commencing with the January 1, 2005 – December 31, 2006 period, and so on thereafter.

Bi-monthly Reporting Period*

- January/February

- March/April
- May/June
- July/August
- September/October
- November/December

Public Corporation*

The name and contact information of the Public Corporation disclosed on your corresponding Public Corporation Statement of Registration will automatically populate to your Bi-monthly Report.

DEFINITION: A municipal corporation, a district corporation, or a public benefit corporation as defined in section sixty-six of the general construction law.

Compensation and Expenses*

Compensation and Expenses for Public Corporations must be disclosed during the reporting period in which they are expended, received or incurred.

All Compensation and Expenses associated with Lobbying Activity should be accounted for using accrual basis accounting, i.e., **costs are reported in the period in which they are incurred.**

Lobbying Agreement Compensation Amount

The ‘Compensation and Expenses’ section of the Bi-Monthly is comprised of two different reporting sub-categories: ‘*Compensation and Expenses*’ and ‘*Other Public Corp Expenses*’.

Sub-categories

The ‘**Compensation and Expenses**’ section of the Public-Corporation Bi-Monthly Report is comprised of two separate reporting sub-categories: ‘*In-House Lobbyists*’ and ‘*Retained Lobbyists*’.

1. In-House Lobbyists sub-tab

(a) Level of Government

You must indicate the ‘**Level of Government**’ your In-House Lobbyist(s) Lobbied or attempted to influence an action enumerated in section 1-c(c)(i)-(x) of the Lobbying Act during the reporting period.

- State Lobbying

- Municipal Lobbying
- State/Municipal (Both)

(b) In-House Lobbyists

The names of any In-House Lobbyists disclosed on your corresponding Public Corporation Statement of Registration, or previously submitted Bi-monthly Report(s), will automatically populate to your Bi-monthly Report.

DEFINITION: Any person who engages in Direct or Grassroots Lobbying on behalf of the Public Corporation.

Your Bi-monthly Report must disclose the name(s) of any Individual that performed **Lobbying Activities** on behalf of the Public Corporation during the **specific** Bi-monthly reporting period. At least one In-House Lobbyist must be listed on any Filing where “Direct Lobbying” is indicated as the *Type* of Lobbying Activity. If the In-House Lobbyist is lobbying as a board member, director or officer for the Public Corporation or the person lobbies on behalf of themselves, select the ‘**Designated Lobbyist**’ check box.

In-House Lobbyist(s) included in your Public Corporation Profile do **NOT** automatically populate to your Bi-monthly Report; only In-House Lobbyists disclosed on previous Bi-monthly Reports populate to your new Bi-monthly Report.

However, all Individuals included in your Public Corporation Profile are available to add to any Filing.

[Adding a new In-House Lobbyist\(s\):](#)

You can add *new* In-House Lobbyists directly to a Bi-monthly Report (***Individuals who were NOT previously listed on the Public Corporation’s Profile or a previous Bi-monthly Report***). LA will add the *new* In-House Lobbyist directly to the list of In-House Lobbyists contained in your Public Corporation Profile, making them available for selection on other Filings. ***Adding a ‘new’ In-House Lobbyist requires an “Effective Date”****.

Whether you add the *new* In-House Lobbyist while filling-out your Bi-monthly Report or through your Public Corporation Profile, LA will also ask you to identify any other Filings you would like to add the *new* Individual(s) to; which will also create system-generated Amendments to those Filings. (NOTE: System-generated **Registration Amendments** may require a new lobbying

agreement/authorization.)

In-House Lobbyist Effective Date*

The In-House Lobbyist’s “**Effective Date**” is the earliest date that Individual was authorized to engage in Lobbying Activities for the Public Corporation. The date is used to determine that Individual’s online ethics training requirement. This date can be *before* the current reporting period you are filing for.

Removing an In-House Lobbyist(s):

You can remove an In-House Lobbyist from a Public Corporation Bi-monthly Report. Removal of an In-House Lobbyist does **NOT** create an Amendment and/or Termination. This change only applies to the Filing you are creating; it has no impact on the associated Registration Filing. In-House Lobbyists removed from a Bi-monthly Report will still be available through the list of the In-House Lobbyists contained in your Public Corporation’s Profile.

(c) In-House Lobbyist Compensation

DEFINITION: Compensation means all direct or indirect payments of salaries or other things of value provided to a Lobbyist in exchange for Lobbying or services that are otherwise in furtherance of Lobbying Activity, including year-end or other bonuses but not fringe benefits.

CLARIFICATION: The information entered in the **Compensation** field should correspond with the Lobbying Agreement Compensation Amount disclosed on your Statement of Registration and corresponding Lobbying Agreement.

Regarding Compensation:

- If the Lobbying Agreement is based on a daily or hourly rate, the fee per day or per hour must be reported;
- If multiple parties with multiple hourly rates will be covered by the Lobbying Agreement, all rates shall be disclosed.

2. Retained Lobbyists sub-tab

(a) Retained Lobbyists

The names of any Retained Lobbyists who registered to lobby on behalf of the Public Corporation, and those disclosed in previously submitted Bi-monthly Reports, will automatically populate to your Bi-monthly Report.

DEFINITION: A person or organization engaged to lobby for the benefit of an unaffiliated Client, and any person who is paid by a Lobbying Organization as an independent contractor but does not meet the criteria set forth in the Commission’s regulations.

Your Bi-monthly Report must also disclose the name(s) of any **Retained** Lobbyists who have submitted Lobbyist Statements of Registration on behalf of the Public Corporation. The Retained Lobbyist(s) will be **automatically populated** to your Public Corporation Bi- monthly Report.

Adding a new Retained Lobbyist(s):

YOU CANNOT ADD A NEW RETAINED LOBBYIST directly to a Public Corporation Bi-monthly Report **UNLESS** the Retained Lobbyist has an existing Profile established in the Lobbying Application.

Removing a Retained Lobbyist(s):

You can **remove a Retained Lobbyist(s)** from a Public Corporation Bi-monthly Report. Removing a **Retained Lobbyist** from a Public Corporation Bi-monthly Report does **NOT** create an Amendment and/or Termination. This change only applies to the Filing you are creating; it has no impact on the associated Registration Filing. If your relationship has terminated, you must submit a Termination.

(b) Retained Lobbyist Compensation

For your convenience, the Lobbying Agreement Compensation Amount disclosed by your Retained Lobbyist on their Statement of Registration and/or Amendment(s) is available as a *read only*.

Compensation means all direct or indirect payments of salaries or other things of value provided to a Lobbyist in exchange for Lobbying or services that are otherwise in furtherance of Lobbying Activity, including year-end or other bonuses but not fringe benefits.

The information entered in the **Compensation** field should correspond with the Lobbying Agreement Compensation Amount disclosed in your Retained Lobbyist’s Statement of Registration and corresponding Lobbying Agreement.

NOTE:

- The Retained Lobbyist compensation must be reported;

- If the Lobbying Agreement is based on a daily or hourly rate, the fee per day or per hour must be reported;

Lobbying Subjects for Bi-monthly Reporting Period*

Lobbying Subjects disclosed on your corresponding Public Corporation Statement of Registration will automatically populate to your Bi-monthly Report.

Lobbying Subjects identify the specific subject matter area(s) on which Lobbying occurred. These Subjects identify the ‘Nature of Business’ of the Public Corporation. Multiple Lobbying Subjects can be selected.

Refer to Appendix A within this document or the Commission website for the most up-to-date list.

Lobbying Activities for Bi-monthly Reporting Period*

*Lobbying Activity information is populated from your previous Bi-monthly Reports (including Amendments) for the Public Corporation, and can be modified—added or removed—on a Bi-monthly Report. (NOTE: changes to this section do **not** require submission of a Registration Amendment.)*

Reportable **Lobbying** or **Lobbying Activities** is defined as any **Attempt to Influence** activity included in section 1-c(c) of the Lobbying Act and includes both Direct Lobbying and Grassroots Lobbying.

*** Please contact Commission staff if a Legislator’s name, Senate or Assembly Committee, State Agency, NYC Council Member, or NYC Board/Division/Commission is missing from the Parties Lobbied Database.**

Staff has created guidelines to assist you in ensuring your information is correctly disclosed with the required specificity as set forth in the regulations relating to disclosure of Lobbying Activities. You may be required to submit an amended Report if your Lobbying Activities have not been properly disclosed and sufficiently identified.

BI-MONTHLY AMENDMENTS — WHEN TO FILE

All information disclosed on your previous Bi-monthly Report will automatically populate to your Amended Bi-monthly Report.

Lobbyists (including Public Corporations) are required to submit an Amended Bi-monthly Report to reflect any change, permanent or temporary, to the following information during the specified reporting period, which should be completed and submitted to the Commission **within 10 days of such change**.

Each Amended Bi-monthly Report requires the Filer to provide a specific date the change(s) are (or will be) effective; known as an **“Effective Date of Change”** *. Multiple changes can be made on an Amended Bi-monthly Report **as long as all the changes being made on the Filing have the same “Effective Date of Change”**. Otherwise, separate Amendments are required for each **“Effective Date of Change”**.

Amended Bi-monthly Reports can be submitted at any time during the biennial period regardless of whether the original Bi-monthly Report or other Amended Bi-monthly Reports, or affiliated Registration/Amendments, are pending, as long as the **“Effective Date of Change”** is within the same biennial period as the Bi-monthly Report being amended.

* Effective Date of Change

The Amendment **“Effective Date of Change”** is the date a specific change (or changes) takes effect; **not the date the Amendment is submitted**.

An Amended Bi-monthly Report is required to reflect any changes to:

1. In-House Lobbyists

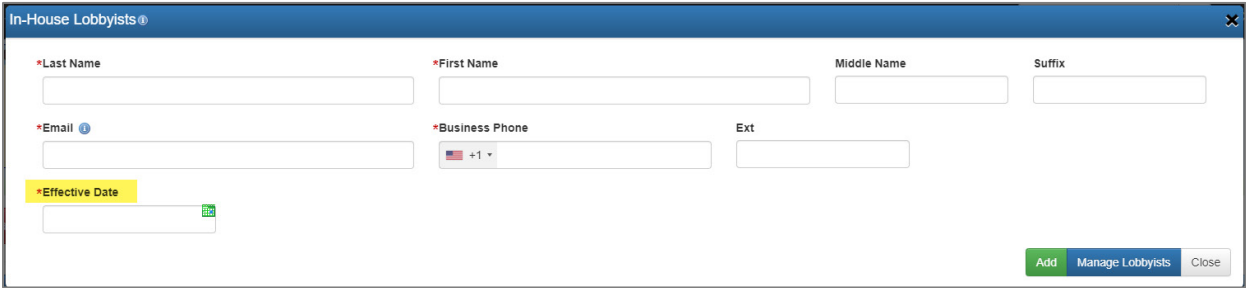

You are required to submit an Amended Bi-monthly Report if the name(s) of any In-House Lobbyist(s) that performed Lobbying Activities on behalf of the Public Corporation changes during the specified Bi-monthly reporting period.

You can add/remove In-House Lobbyist(s) from the names already listed in your Public Corporation Profile to your Bi-monthly Amendment.

Adding a new In-House Lobbyist(s):

You can add *new* In-House Lobbyists directly to an Amended Bi-monthly Report (***Individuals who were NOT previously listed on the Public Corporation’s Profile or a previous Bi-monthly Report***). LA will add the *new* In-House Lobbyist directly to the list of In-House Lobbyists contained in your Public Corporation’s Profile, making them available for selection on other Filings.

NOTE: An Amendment to add an *In-House Lobbyist* requires **two** Effective Dates.

If the *new* In-House Lobbyist is lobbying as a board member, director or officer of the Public Corporation, select the ‘**Designated Lobbyist**’ checkbox.

Removing an In-House Lobbyist(s):

You can *remove* an In-House Lobbyist from an Amendment (even if listed inadvertently). Removing an In-House Lobbyist from an Amendment does **NOT** create an Amendment and/or Termination. This change only applies to the Filing you are creating; it has no impact on associated Filings. In-House Lobbyists removed from an Amendment will still be available through the list of the In-House Lobbyists contained in your Public Corporation Profile.

2. Amounts and/or information relating to:

- Compensation
- Expenses

NOTE: Any decision to waive, write down or otherwise reduce **Compensation** and/or **Expenses** owed to a Lobbyist by the Public Corporation after the Contract Termination of the Lobbying Agreement does **not** require an Amendment.

3. Lobbying Activities

Since the Bi-monthly Report requires disclosure of the *actual* Lobbying Activities that occurred during the specific reporting period – including the direct relationships that exist between a **Focus and Party(ies) Lobbied**, **an Amended Bi-monthly Report is required if any of the information reported in the original Bi-monthly Report was inaccurate or changes.**

TICKETING IN THE LOBBYING APPLICATION

The Lobbying Application provides for a mechanism of communication between the Filer and Commission staff, facilitating filing issue awareness and deficiency resolution through a system of Ticketing. Tickets may be generated by Staff to address a specific issue, or in some cases, auto-generated by the Lobbying Application. Tickets will appear on your dashboard in the LA and within the associated filing.
